### About our trainer:

**Beverley Robinson | Managing Partner | RobinsonHenry SPRL**

Beverley has more than 20 years' experience in international corporate communications working across a broad range of constituencies, including media, analysts, government, opinion formers, customers and employees. She has worked extensively in the Asia Pacific region, the US and Europe, and has an impressive track record in leading multi-cultural teams. In recent years, she has also developed a professional interest in leadership and executive development, and has complemented her communications skills with comprehensive training and experience in global executive coaching. Beverley has particular strengths in public speaking development training where she combines her communications and coaching expertise to maximum effect. Beverley is a qualified business coach and a Master Practitioner in Neuro-Linguistic Programming.

### Becoming an effective public speaker can enhance your career.

An important talk coming up? Reluctant to accept public speaking opportunities?

Do you want to be more comfortable and persuasive addressing audiences, large or small?

Learn how to put your ideas across in a powerful, effective and engaging way.

Discover the principles of successful public speaking, and build on your existing skills and natural communication style.

**We limit the number of participants to five, to ensure a fully personalised experience.**
